

Australian Primary Health Care Nurses Association

APNA COVID Webinar: Q&A
Wednesday 14 April 2021

APNA wish to acknowledge the traditional custodians of the lands across which we meet, and pay respect to Elders past, present and emerging.

WELCOME!

Mitch Wall

General Manager, Member Services
Australian Primary Health Care

Rollout update

Update

- ▶ Updates have been made to the Covid – 19 Vaccine Mandatory Training .
- ▶ APNA Covid page updated regularly & now includes AEFI reporting links for each state and territory.
- ▶ Reports of HCW's under 50yrs being denied Pfizer vaccine at Hubs – if this is you, please email APNA NSL with your details & the details of the Hub. Attn Suzanne Blackeby.
- ▶ Federal Government meeting with State & Territory Governments on Monday re potential mass vaccination.
- ▶ What's not working in the COVID-19 vaccine rollout

APNA is conducting a survey to better understand what's working and what's not working with issues like the COVID-19 vaccine rollout, so we can lobby for changes on your behalf.

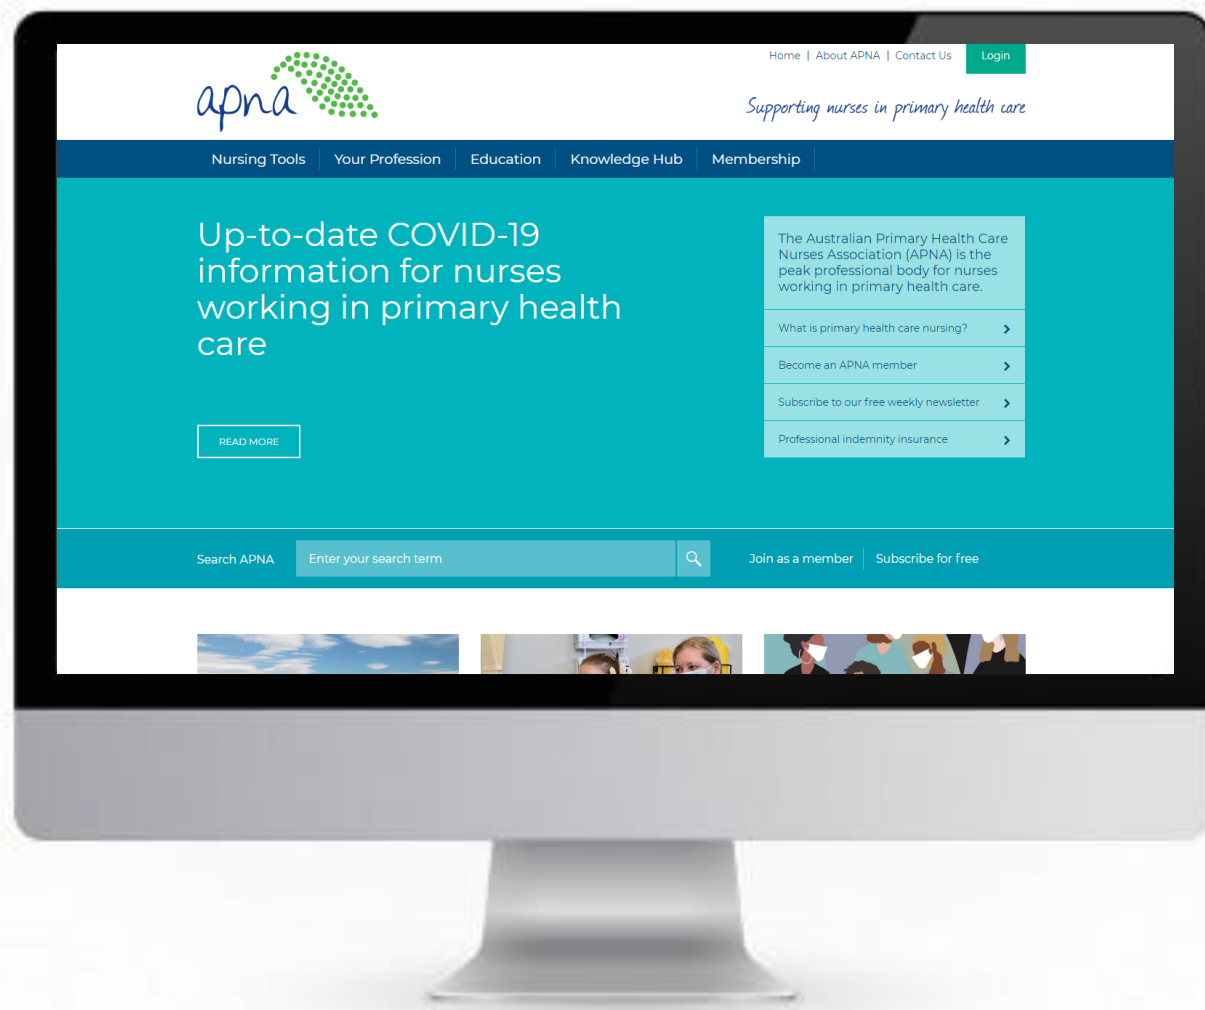

Take the 10-minute survey <https://bit.ly/3wTET75>
